

## Conservation Practices for vendors on ELC Campus

*The Environmental Learning Center encourages everyone  
to adopt sustainable lifestyles and business practices.*

- Please conserve paper by printing on both sides of a sheet for any handouts. Please think before you print and avoid extra copies.
- Please take all materials with you when you leave- including trash and recycling. Please recycle all left over materials and compost when possible.
- Please refrain from single use plastics (including but not limited to plastic water bottles, googly eyes, straws, etc.).
- Styrofoam (polystyrene) is not allowed on the Environmental Learning Center Campus. In general, we suggest minimizing packaging, and using paper products in lieu of plastics.
  - We prohibit the use of Styrofoam (polystyrene) because it does not biodegrade. It persists in the environment and poses a threat to wildlife.
- Balloons are not permitted on the ELC Campus because most spaces at the Environmental Learning Center are open to the environment, or are accessed by outdoor walkways.
  - We prohibit the use of balloons because they do not easily biodegrade, persist in the environment and pose a threat to wildlife.
- Glitter is not permitted on the ELC Campus
  - Glitter is considered a micro plastic that can easily pollute our environment and takes a long time to degrade.
- Products should not contain protected/illegal animals or their remains.
- The Environmental Learning Center is a non-smoking campus. Please refrain from smoking during your visit.

*Our mission is to educate, inspire and empower all people, including those with minimal access to nature,  
to be active stewards of the environment and their own well-being.*

## 2021 COVID Policies

For your safety ELC asks that you follow these guidelines:

- Practice physical distancing and stay 6ft apart
- Wear a mask when interacting with ELC staff, volunteers, and guest and when unable to maintain 6ft apart. Masks required when visiting indoors spaces.
- Limit groups to 10 and under
- Please avoid contact with surfaces

I understand the restricted items and procedures that I am asked to abide by while on the ELC campus in any capacity.

## Homeschool Market Agreement

We are excited to be the site of your homeschool market each month! Homeschool Market will be held the first Saturday of each month from 10-2pm. Set up time is 9-10am and break down is 2-3pm. Please note that the ELC is unable to make change- each person is responsible for having cash to make change for those customers paying with cash. There are a few things that we request you do each time.

1. Each student is responsible for retrieving, setting up, breaking down and returning their tables and chairs.
2. Each student is responsible for adhering to the conservation policy as well as the COVID-19 policies.
3. Each student is responsible for cleaning up after themselves. Please recycle and place trash into the receptacles located around campus.
4. Each student is expected to donate 10% of their profits to the ELC.
5. Each student should check in and out with the lead coordinator, Joanna Fisher. If you have questions contact Joanna at 305-332-8335.

By signing this document you are agreeing to adhere to all the policies listed above.
